GIVEN THE WHONG MEDICINE -Ex-Lieutenant Governor Henry W. Thomas of Virginia, who has been ill for some time past at his home at Fairfex Court House, had a very narrow escape from death Monday atternoon as a result of a mistake on the part of a nurse who was in attendance. Gov. Thomse's physician had prescribed a powder for him that was to be taken with a mixture which was in a bottle standing by his bedside. Another bottle containing laudenum was with the other medicines The nurse mistook the directions and understood that the powders were to be given with the laudanum. Four doses had been given the invalid when it was noticed that he was in a prefound stupor. Dr. Moncure was summoned, and after much exertion succeeded in bringing him back to life. Gov. Thomas is now considered quite out of danger.

Do Not Roll Your Manuscriets -The literary fiend who rolls his manuscript promises soon to be a relic of the past. It is said there is a to be a relic of the past. It is said there is a "combine" of five prominent magszine editors who have mutually agreed to return, unread, all rolled manuscripts by the next mail after receipt. The other editors refuse to even extend this courtesy, and will throw, unopered, into the waste basket all manuscripts which reach their offices in the fatal roll. As these editors represent the most desirable channels for manuscripts teday. This fact is printed for the information of writers—more especially the younger authors.

I have used S. S. S. for a number of years, and consider it the best tonic and blood remedy that I ever used. In fact I would not attempt to enter upon a spring or sammer in this climate with-H. W. COLEMAN, Of Coleman, Ferguson & Co., Dade City, Fla.

CORPORATION NOTICES. FINAL NOTICE TO GAS DELINQUENTS.

In addition to the notices that have appeared in the daily papers during the past month calling gas consumers' attention to their unpaid bills, I have mailed them statements of their accounts, requesting a settlement in full by June 1st next, which is the end of the fiscal year. I will be at the office of the City Gas Works every day from 9 to 4 o'clock (dinner hour included) to attend to this business. Having indulged many until further indulgence is out of the question, delinquents are politely notified that if their bills are not paid by June 5th I shall be compelled to turn of the gas and collect the money, according to law, in which case the gas will not be sgain turned on without a cash deposit. The bills must and will be collected. The law requires it and the Gas Works need it.
